## Itinerary

**Day 1 - Nairobi to Amboseli:**Arrival at Jomo Kenyatta International Airport (JKIA) and road transfer to Amboseli National Park. Check in at your lodge, enjoy lunch and a short rest, then head out for an evening game drive with a chance to see elephants, zebras, giraffes and buffaloes - and, on a clear day, views of Mount Kilimanjaro. Overnight on a full-board basis (lunch and dinner included).

**Day 2 - Amboseli:**A full day of morning and afternoon game drives across Amboseli's plains and swamps, tracking its famous elephant herds. Overnight on a full-board basis.

**Day 3 - Amboseli to Ol Pejeta:**Drive from Amboseli to Ol Pejeta Conservancy, a scenic travel day through the central highlands. Check in on arrival and relax after the journey, then head out for a short evening game drive across Ol Pejeta's plains - one of East Africa's leading black rhino sanctuaries and home to the world's last two northern white rhinos. Overnight on a full-board basis.

**Day 4 - Ol Pejeta to Samburu:**Drive north to the Samburu National Reserve, a rugged, semi-arid landscape along the Ewaso Nyiro River. Arrive in time for lunch, then head out on an afternoon game drive in search of the "Samburu Special Five" - Grevy's zebra, reticulated giraffe, gerenuk, Beisa oryx and the Somali ostrich. Overnight on a full-board basis.

**Day 5 - Samburu:**A full day of morning and afternoon game drives across Samburu, exploring different areas of the reserve for its resident elephants, predators and the species found nowhere else in Kenya's southern parks. An optional visit to a local Samburu village can be arranged. Overnight on a full-board basis.

**Day 6 - Samburu to Lake Nakuru:**Drive south to Lake Nakuru National Park, a compact, fenced sanctuary built around its alkaline lake in the Great Rift Valley. Afternoon game drive around the lake shore for its rhino sanctuary and, in good years, dense flocks of flamingos. Overnight on a bed and breakfast basis.

**Day 7 - Lake Nakuru to Masai Mara:**Continue west across the Rift Valley to the Masai Mara, the northernmost extension of the Serengeti ecosystem, arriving in time for an afternoon game drive. Overnight on a full-board basis.

**Day 8 - Masai Mara:**A full day of game drives across the Mara's plains, with the best chance of the trip for lion, leopard, cheetah and, in season, the Great Migration. An optional Maasai manyatta visit or sunrise hot air balloon safari can be arranged locally. Overnight on a full-board basis.

**Day 9 - Masai Mara:**A second full day of game drives, exploring different areas of the reserve - including the Mara River crossing points - for the best chance of catching predators in action. Overnight on a full-board basis.

**Day 10 - Departure:** Final morning game drive, then depart the Masai Mara for Nairobi. Lunch en route before your transfer to

JKIA for departure.
